PROFESSIONAL SUMMARY

Product-focused builder with hands-on experience driving 0→1 development, go-to-market execution, and data-led growth alongside founders. Comfortable operating across product, growth, and analytics to improve user acquisition, conversion, and adoption. Focused on building scalable, user-centric AI products grounded in real-world problem solving.

PROFESSIONAL EXPERIENCE

Product & Business Management, Renan 10/2025 – 04/2026 | Remote

- Worked closely with founders to take AI products from 0→1, driving product strategy, feature development, and GTM execution
- Built and implemented **AI-driven automations** to streamline workflows, improve efficiency, and reduce manual processes.
- Led **product discovery and feature launches** based on user needs, improving acquisition, conversion, and engagement

Operations & GTM Lead, Build AI 03/2026 – 05/2026 | Bengaluru

- Led **GTM** and stakeholder onboarding across factory owners, workers, **government authorities** multi-state.
- Built **field-ops infrastructure**: recruited, trained team; scaled zero-pending-24-hours **logistics SLA**.
- Architected **onboarding playbooks** and **scaling framework**; built sustained **worker data pipeline**.

Finance Intern, Aditya Birla Capital 06/2025 – 08/2025 | Chandigarh, India

- Conducted **financial statement analysis, credit assessment, and operating performance review** to support internal investment evaluation and risk decisions.
- Built and validated **DCF/LBO valuation models**, assessing leverage capacity, downside risk, & scenario-based return outcomes.
- Supported **financial due diligence, data verification, and preparation of structured summary insights** for senior stakeholders.

SKILLS

AI & ML Literacy

LLM Applications, Prompt Engineering, AI Use Case Evaluation, Model Evaluation Metrics, AI Ethics, Workflow Automation

Data & Analytics

SQL, Funnel Analysis, A/B Testing, Metrics Tracking, Cohort Analysis, Dashboarding, Data-Driven Decisions

Leadership & Ownership

Cross-functional Leadership, Stakeholder Management, Budget Ownership, Team Building, End-to-End Ownership

Product Strategy & Execution

0-1 Development, Product Discovery, PRDs, Roadmapping, Feature Prioritization, Agile/Sprints, MVP Design, UX Collab

GTM & Growth

Go-to-Market Strategy, Customer Segmentation, Conversion Optimization, Market Research, Unit Economics, Growth Strategy

Tools & Technical Fluency

Excel/Google Sheets, PowerPoint, SQL, APIs, Notion, Jira, Dashboarding Tools (Tableau/PowerBI), No-Code Tools

EDUCATION

UIET, Panjab University, B.E. in Electronics & Communication Engineering 08/2023 – 05/2027 | Chandigarh, India

RELEVANT PROJECTS

SecondoBrain 🧠, *Your company's searchable memory.*

- Building an AI-powered “second brain” to enhance decision-making and workflow automation for users
- Defined product vision, user flows, and feature roadmap, combining **PM thinking with AI use cases**
- Focused on solving information overload through **AI-driven organization and retrieval systems**

CERTIFICATIONS

- McKinsey.org Forward Program (Problem Solving, Client Communication) 🧠
- Finlatics Investment Banking Experience Program (DCF, LBO, Deal Structuring) 🧠
- Forage Virtual Investment Banking & M&A Simulation (J.P. Morgan & Citi) 🧠

LEADERSHIP & VOLUNTEERING

National Cadet Corps (NCC)

Led leadership development sessions, coordinated training operations, and managed programmes for **100+ cadets**.

Mind Sustain (NGO), Founder

Designed and delivered **financial-literacy bootcamps for underserved students**, enabling practical understanding of budgeting, savings, and long-term financial goal setting.
